### Details:

In order to preserve a town landmark built in 1839, The Wakefield UU Church needs extensive reconstruction to its roof and steeple. Estimates have been between \$250,000 and \$350,000. With only 75 members, the membership alone will not be able to raise necessary funds. There are searches for grant money and a Trust has set up for donations for the building.

To help SAVE OUR SHELTER, The Linden Tree Coffeehouse, which has been based in the church since 1985, is holding a special benefit concert. All performers are donating their sets of music. Each will perform for 45 minutes. Sound is being provided by :

*Linden Tree Coffeehouse* and *The Music Room*.
